Partnerships with Montana Science Center

OUR VISION STATEMENT

Our vision is a society in which curiosity, critical thinking and innovation are embraced as tools for understanding and thriving in a changing world.

OUR MISSION STATEMENT

Our mission is to provide interactive learning experiences in science and technology that inspire creativity, innovation, and lead to real-world application

WHY BECOME A BUSINESS SPONSOR

At Montana Science Center, children's curiosity is awakened and exploration of STEM is encouraged through play.

STEM discovery drives critical thinking, creativity and innovation. Kids create the future they imagine with your support.

We invite businesses to provide STEAM learning through exploration to our community with a Business Membership.

Invest in the future generations of Bozeman through science and technology discovery!

KEY ELEMENTS

20,000+

Visitors to MSC each year.

1900+

Visitors engaging in high-tech making in the STEAMlab

1300+

Students from all over the state, coming to MSC for hands-on STEM field trips.

Where Science & Play Connect

2744 W. Main St. | Bozeman, MT

MontanaScienceCenter.org | 406.522.9087

Who will benefit? Our community, students and YOU!

We know that children make profound meaning from discovery and sparks of curiosity.

Creating pathways for exploratory play is at the heart of Montana Science Center. Introducing people, of all ages, to STEAM topics as fun, engaging experiences sparks curiosity about the real world, inspires creativity and inspires innovative ways to solve problems.

It is incredibly important to teach our youngest generations the skills they need to adapt to the pace of technology and science innovation in our world.

How can your business help?

A business membership of any size allows MSC to:

- Support classrooms with free or reduced fee field trips for STEM learning with hands-on lessons.
- Never turn away a family due to an inability to pay.
- Support veterans, mentors, other nonprofits and more with reduced admissions & memberships.
- Bring unique, engaging exhibits & programs to our community.
