Where science and play connect

2020 YEAR IN REVIEW

Families had access to science discovery and STEAM learning opportunities at MSC throughout this difficult year because of support from our donor community. Our 20th year is possible because of you!

JAN 11

Rainbow trout from Ennis, MT arrive at MSC for new 125 gal aquarium.

JAN 20

Grand Opening in new location at 2744 W. Main Street.

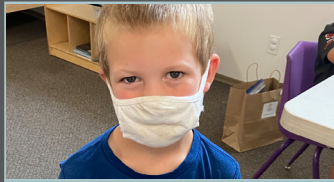

MAR 11

3600 visitors in our new building in 45 days!

MAR 17

MSC closes doors due to COVID-19 pandemic; begins printing 3D masks.

SEPT 5

Weekly science clubs launch for out-of-school science education.

AUG 14

Poison dart frogs arrive as part of new exhibit, Dangerous Nature.

AUG 8

Sun, Earth, Universe exhibit delivered from Casper, Wyoming.

APRIL 16

Tim Schober joins team as STEAMlab Coordinator.

SEPT 12

MSC reopens to the public.

DEC 1

First take-home STEAMkit, Arctic Wonders, is released!
